Dear Pieter,

I Sharon Jacqueline Watt, SA Identity number 571220 08 68 185 hereby agree, and e mail confirmation herewith, on the decision taken by Ithakane regarding my NQF4 results.

This was a challenging experience, with lots of hard work and effort, we worked as a great team, with imparting of knowledge and experience, we finally got there, and although tough at times we enjoyed it and feel that it was very beneficial to all of us. Future candidates must not take this lightly it requires commitment and a dedication to finish and pass.

As a team we found the questions at times misleading and confusing in the way in which they were worded, but after discussion and "brain storming" between ourselves we managed to qualify and answer the questions accordingly.

Personally I found it rewarding and enjoyed every minute of it and feel it will be invaluable to my ongoing career in Real Estate.

Kind regards

Sharon
